In literacy, the children have been working hard on the delightful book "Pip and Egg." They've been exploring the story, discussing characters, and enhancing their reading skills culminating in writing a retell of the story.

In maths, we've been focusing on numbers up to 1000, with a special emphasis on place value. The children are learning to compose and decompose numbers, compare, order, and identify patterns. It's been a joy to watch them grow and develop their skills in both subjects!

We are thrilled to share that our Year 3 pupils have settled into the new school year wonderfully! The children have embraced the big change with enthusiasm, quickly adapting to new routines and giving their best in all lessons. Recently, we embarked on an exciting new theme, "Let There Be Light," where the students have begun unpicking the central idea and exploring the unit with curiosity and creativity.

In the first two weeks, our children were immersed in exciting creative activities, learning about our school's core Christian values such as gratitude, respect, courage, and creativity to name but a few. They also enjoyed studying the inspiring book "Only One You," which beautifully complemented these values. This engaging start to the year culminated in our fantastic Prayer Festival, where the children showcased their understanding and celebrated their learning in a joyful and meaningful way.

We Learn, We Play, We Care, We Pray.
