ILLTUD

Meanwhile, we launched our Inquiry unit which will explore the themes of war, peace, and conflict. We looked into what 'conflict' is, before looking at different hisprotical conflicts and plotting them on a timeline. different historical conflicts. Going forward we will begin to enquire in depth into WWII and the events leading up to and during it.

We have started this term in PE, focusing on tennis, learning not only the basic skills—like serving, rallying, and footwork—but also strategies for working together.

What a fantastic start back to Dosbarth Illtud this September! We have loved being back together, getting to know our new classroom! We even have 4 new members of our class - 4 little fish (who we are yet to name!). We started our learning this term, as we always do with a whole school project focusing on the book *Only One You*, and recapping our 18 school values.

At our Prayer Festival, each class created a unique space inspired by a different theme, and our class focused on Martin Luther King Jr.'s "I Have a Dream" speech. We set up a "Dream Bubble Wall" for everyone to add their own hopes for the future. We enjoyed being able to have the time to reflect in each classes prayer spaces with each focusing on a different school value.

We Learn, We Play, We Care, We Pray.
